Wish them luck when you see these runners!

Inclement Weather Policy

In the case of bad weather, Tri-County Early College cannot make a final decision on its delay or closing until decisions have been announced for Cherokee County Schools, Clay County Schools, and Tri-County Community College. That means TCEC's announcement will come AFTER all other announcements have made. Decisions will be posted first on our school's Facebook and Webpage followed by a SchoolMessenger email, text, and phone call. An announcement will also be posted on WKRC's listing of school closings. Please do not call or message Mrs. Cheek during this time as individual conversations slow down the process of getting the information out to all. Student drivers should not leave home on bad weather mornings until a final announcement has been made.

Parents...join us Friday, November 8th at 7:45 am in Ms. Warman's room for a parent round table meeting hosted by Parents Involved. Find out what is new at TCEC and come share with fellow parents your thoughts and ideas. We will also be discussing possible ways to improve communication between parents and the school. This is your chance to have a voice. So join us and be a part of something amazing! Also, there will be a Parents Involved leadership team meeting Sunday, November 10th at 2pm at TCEC in the Commons. Everyone is welcome to attend. We are working on lots of ways to enhance your student's experience at TCEC. We would love to have your talent as a part of our team. Hope to see you there.
